## CPR

In order to better serve our community, the North Chicago Fire Department is offering to the general public CPR, AED and First Aid courses that are authorized by the American Heart Association.

The Health Care Provider course (Professional), is approximately 3 hours, Heart Saver course (General Public), is approximately 3 hours and the Heart Saver First Aid, is approximately 3 hours.

The early initiation of **quality** CPR has proven to increase the survival rate of patients who suffer a cardiac arrest. Combining community CPR with early defibrillation and advanced life support has proven to save lives.
