

BUSINESS LICENSE APPLICATION

Submittal Requirements:

Please complete and submit the attached Business License Application Form, along with any necessary attachments or documents and a form of payment in the correct amount (see the Business License Fee Schedule). Checks may be payable to the City of North Chicago. Credit card payments may be made over the phone or at City Hall for an additional processing fee.

Review Process:

Upon receipt of your application, it will be reviewed by multiple City Departments to determine compliance with all applicable laws, codes, and ordinances. The City may require an inspection(s) of the property to complete its review of the application. Should reinspections be required, an additional inspection fee will be charged.

Certificate of Occupancy:

If the space in which your business will be operating does not presently have a Certificate of Occupancy for the proposed use of the property, one will be required prior to occupying the property. A separate Certificate of Occupancy Application and Fee (\$100 per unit) are required at the time of Business License Application submittal. This fee is in addition to the Business License fees. A new Certificate of Occupancy will be required for any change in use. Should reinspections be required, an additional reinspection fee (\$50) will be charged. Neither a Certificate of Occupancy nor a Business License will be issued until the property has been inspected and no violations are present.

Food Products:

If your business is one that will involve the sale of food or food products, an additional approval is required by the Lake County Health Department. Please note that they are a separate government unit and must be contacted separately (Phone Number: 847-377-8040) to apply for and complete any requirements they may have.

Home-Based Businesses:

If your business is located within a house you own and live in, you must also complete and submit a Home Occupation Certification Statement. Please contact the Economic and Community Development Office for more information at 847-596-8650.

Renewals:

Please note that businesses must renew their Business License each year. The Business License year is from May 1 to April 30 of the following calendar year. Failure to renew by the start of the new license year may result in penalties or jeopardize your ability to operate within the City.

Liquor and Video Gaming:

Liquor and Video Gaming require a separate license application and fee. Please contact the City Comptroller's Office at 847-596-8620 for more information.
