PZC Questions/Comments:

A. Jackson asked how often the copy is changed on a static board.
S. Hannion stated the copy is replaced every month, and with the digital board the advertisement will change every 10 seconds. Clear Channel will abide by guidelines set forth by the City.

A. Jackson asks if any order to the messages, due to how much you pay.
S. Hannion stated no. The charges are much difference between the static and digital boards. Digital is more bang for your buck.

A. Jackson asks if some additional signs along the Skokie Highway corridor signs be replaced soon.
S. Hannion states that, in his opinion, he thinks a few could be replaced, but not all can be replaces because of IDOT stipulations. For the time being, Clear Channel is focused on the current request.

R. Jones asked if the advertisers were known at this time.
S. Hannion stated he did not know, as another department handles sales.

A. Jackson asked how long it would take to have the new billboard functional.
S. Hannion stated it more than likely will be the second quarter of this year. They are awaiting on IDOT's approval of the proposed sign.
