Robert Huguelet, attorney for the Compass Travel Center, presented. He provided a brief background on the business and explained the variation requests for (1) larger monument sign, (2) a taller mid-rise sign, and (3) more wall signs. It was noted that the prior developer had reached an agreement with the neighboring business, The Mulch Center, to incorporate some off-premises signage for that business in the sign package for the new development. The new developer was working with The Mulch Center to see if they could resolve this matter and find an amenable plan to incorporate their signage into the plans.

Robert Huguelet presented again about the proposed travel center. He noted that the petitioners were seeking an amendment to the existing Special Use Permit to accept the revised site plan. Chairman Jackson inquired when the development would commence. It would begin this summer and open late in the year. It was asked what makes Compass stand out from the other gas stations. It is a larger facility and has

amenities for truckers. There is also more merchandise and food/drink options. Ms. Jackson asked if it was only for truckers. It would be open to all and offers a family-friendly environment.

No one from the public spoke in favor or opposition to the petitioner's request. Evan Boziz expressed his excitement about the project but asked where the facility would be located. It is located at 3100 Skokie Highway across from Full Moon restaurant and the Ozinga cement plant.

Motion by P. Carballido, seconded by G. Jackson to recommend the approval of the Petitioner's request for a Special Use Permit Amendment.
