He suggested that landowners be allowed to build a garage that fits the lot. He stated that North Chicago had the lowest property value of the local area and should not require a sprinkler system. It was too costly to install a sprinkler system, and many investors did not want to build in North Chicago for that reason.

- VII. REGULAR AGENDA**

7-1 CONSIDERATION/APPROVAL OF REQUEST FOR RATE INCREASE (ANCEL GLINK
LEGAL SERVICES)

Alderman Evans moved, seconded by Alderman Allen to Consider request for rate increase (Ancel Glink Legal Services).

Alderman Jackson asked if the motion was to approve the proposed rate vs. the passthrough rate. The Mayor acknowledged that it was. Alderman Evans questioned why there were several attorneys assigned to North Chicago. Attorney Silverman explained that the 3 attorneys usually assigned to North Chicago were well versed with the City issues and know how to address them. The firm had 45 attorneys in total; there were other attorneys that specialized in other areas.

Alderman Evans asked why couldn't (1) be assigned for the Council Meetings. Attorney Silverman said it was typically either he or Attorney Adam Simon. He noted that it was not that only 1 could be assigned but felt it was better service with multiple attorneys. It would be discussed and taken under advisement to have 1.

Alderman Evans requested that Council be given a monthly report and itemized charges. Attorney Silverman said he would work with the Chief of Staff to provide information.

Alderman Evans asked how much over the current rate was being requested. Attorney Silverman explained **\$210 current / request \$240 for partners, \$200 current / request \$220 for associates, and \$130 current / request \$140 for paralegals.**

Alderman Brooks clarified that it was possible to have 1 attorney assigned.

Alderman Evans noted that his initial motion was to only consider. Attorney Silverman clarified the intention and explained the motion should include the approval of proposed rates.
