## **Water Main Break and Boil Order: Green Bay Ave Area**

- **February 12, 2025 (9:10 am CST)** Currently there is a water main break at Green Bay effecting the area south of Rosalind Franklin University of Medicine. North Chicago Public Works is working to restore water service to the area. Residents in the affected area should expect a boil order following service restoration.

Impacted areas:

1. Woodlands Apts
2. Rosalind Franklin University Health Clinics
3. Residents on Bayshore Dr, Juneway Terrace, and Glendale Ave

The boil order applies only in the impacted areas!

- **February 12, 2025 (11:30 am CST)** Public Works has successfully repaired the water main break at Green Bay and Buckley and water service has been restored. A boil order is in place only for the impacted areas including:

1. Woodlands Apts
2. Rosalind Franklin University Health Clinics
3. Residents on Bayshore Dr, Juneway Terrace, and Glendale Ave

The boil order is in place until further notice. Thank you for your understanding while we work to remedy this issue.

**February 14, 2025 (3:00 pm CST)** The boil order remains in place at this time while sample test required by law are conducted. We will make immediate notification once testing is completed and cleared. Until that, out of an abundance of caution, please continue boiling water intended for consumption in Woodlands Apts., Rosalind Franklin University Health Clinics and Residents on Bayshore Dr, Juneway Terrace, and Glendale Ave.

Thank you for your understanding while we work to remedy this issue.
