Sponsorship

Get ready for a sponsorship experience like none other at this year's Community Days celebration! This year, sponsors can prepare for interactive participation with attendees designed to pair you with your target audience for meaningful dialog. The event will be chock full of opportunities to show the community that you are there. Your generosity will be rewarded with brand exposure, before, during and after the festivities.

Join our Community Marketplace and share your small business with new customers. Individuals are also invited to generously give of their time as a Volunteer sponsor. As always, Community Days will be a great time for all.

We'll see you there!
